

Journal of the Academy of Sciences and Arts of the Republic of Srpska

CONTEMPORARY MATERIALS

(Renewable energy sources)

Volume 2, Issue 2 (2011)

**Bosnia and Herzegovina
State Commission of Bosnia and Herzegovina for UNESCO**

This issue of the journal is dedicated to the papers in the field of renewable energy sources as essential resources for sustainable development. Papers published in this issue of this journal are scientific results of the project "Renewable Energy Sources as a Model of Sustainable Development of the Countries of West Balkans" financed by UNESCO under the Participation programme 2010–2011.
